No one takes care of business, like a nurse

Nursing is one of the fastest developing fields in Mississippi. No one could possibly keep up with the business trends, career changes, professional development and critical advancements alone. The Mississippi Nurses Association is in the business of taking care of nursing's business. MNA provides valuable career services, professional development, networking and social events. Our members enjoy many benefits of association. Here are just a few:

Keeping up with the trends and changes. The association sponsors the Annual MNA Convention in October and the Statewide Nursing Summit each February. Both events focus on current professional and legislative issues related to Mississippi nursing, while presenting new and up-coming products, services, issues and developments in nursing. Throughout the year, there are seminars and workshops tailored to meet Nursing's specific needs, all at a discount to MNA members. MNA publishes the bi-monthly newsletter, *MNA Members Only*, and the quarterly newspaper, *The Mississippi RN*. The MNA Web site MsNurses.org posts current articles, news, calendar of events, continuing education opportunities and a career center for current job opportunities.

Meet and network with other nurses. Membership provides many resources to assist RNs in advancing their careers. Members, not only get information and support, but show an impressive commitment and a genuine interest in their profession. Participation has power. You can build a powerful network of skilled professionals who can serve as personal mentors and problem solvers.

Inside job and internship opportunities. MNA partners with leading healthcare agencies and employers throughout the state. Members have several ways of capitalizing on these partnerships to learn about job opportunities and new developments in the profession.

National connections. With your MNA membership comes membership in the American Nurses Association. ANA provides you with access to the award winning Web site, NursingWorld.org. Free online access to OJIN-the Online Journal of Issues in Nursing; *American Nurse Today*, a monthly journal (six print/six electronic) featuring peer-reviewed clinical, practical, practice-oriented, career and personal editorials; and the traditional, *The American Nurse*, a prize winning bi-monthly newspaper. Your savings for subscriptions alone is more than \$40. You'll also save up to \$125 on American Nurses Credentialing Center initial certification and up to \$150 on certification renewal. ANCC certification is offered to associate, diploma, bachelors and master's prepared nurses. And, you have the option of taking professional liability insurance through MNA's and ANA's collaboration with Mercer Consumer along with auto insurance, long term care, term life and financial planning services.
