

As a leading force in our state's public policy debates, the Mississippi Nurses' Association believes the nursing profession and its success affects the state's health.

The Mississippi Nurses' Association Political Action Committee exists to further our goal of assuring ready access to quality nursing.

Since its inception, the MNA PAC has worked not only to ensure the profession speaks as a unified voice, but continues to provide us with an influential powerful political presence in our State.

Let's face it, Advocacy is not just having the "right" position on issues; it's having the proper resources to deliver our message and tell our story. The Mississippi Nurses' Association Political Action Committee is that resource!

31 Woodgreen Place
Madison, MS 39110

Contributions are voluntary and are not deductible as charitable contributions. The contribution categories are merely suggestions and a member may contribute more or less than the suggested amount. Political action committees are required by state law to list the name, address, employer, and occupation for each person whose contribution equals or exceeds two hundred dollars (\$200) in a calendar year.

LEADERSHIP
That Benefits
YOU!**

Together we can make a difference...

One Voice – Together We Can Make a Difference.

The MNA Campaign

We want our profession to be supported, protected, and improved. This means that when our Mississippi politicians consider decisions about nursing and healthcare, it's important they hear from nurses. The MNA PAC provides maximum utilization of small and large donations that are pooled together to support efforts to ensure that the nursing profession's voice resonates in the political process. In the highly regulated healthcare arena, nurses must have the support of elected officials to ensure their concerns and issues are addressed. There are many competing voices vying for the ears of lawmakers, so it's imperative that nurses join together through the MNA PAC to make sure their voices are heard loud and clear. The MNA PAC ensures that Mississippi nurses have a seat at the table!

By participating in the MNA PAC, your voice is heard collectively with hundreds of your colleagues across the state. Without the work of the MNA PAC, you could face the prospect of short-sighted legislation or regulations detrimental to your profession and your patients. The MNA PAC cannot do this without your help. To maintain our presence and better represent our profession, we have set a goal of raising \$15,000 this year.

What we need now is your support.

The 2019 election year is here, making it critical that we reach our goal. A well-funded PAC will help us show strength in numbers and a commitment to engage in the political process.

The Mississippi Nurses' Association (PAC) is your voice to help ensure that the challenges, needs, and opportunities facing Mississippi's nursing profession are clearly and consistently communicated to our statewide political leaders.

Why should I get Involved?

The question is: Are you concerned about the following issues?

- Creating an environment that attracts and retains nurses in Mississippi
- Practicing to the full extent of your education and training
- Assuring patient safety by reducing nurse fatigue
- Enhancing safe work environments
- Recruitment and retention of nursing faculty to sustain high-quality nursing education programs
- Increasing the amount and availability of nursing scholarships

If so, you should know the MNA PAC pursues the election and re-election of candidates for state office (regardless of political affiliation) who will support the nursing profession on these key issues, as well as many others critical to the future of nursing in our state!

Please join the MNA PAC today!

Giving levels to fit your budget

The MNA PAC offers a variety of giving levels so every nurse can become involved in the political process.

PAC Member	\$25	Capitol Club	\$100
Governor's Club	\$50	Century Club	\$500

Get involved by joining with hundreds of your colleagues statewide who agree that the MNA PAC is the best investment you can make to influence our profession's long term growth.

Getting involved is simple.
