

# Summer Sizzling Membership Drive!

Calling all Registered Nurses  
and Advanced Practice Registered Nurses

Support Your Nursing Profession! Take Part in the  
Mississippi Nurses' Association  
***Sizzling Summer Membership Challenge***  
***June 1 - July 15, 2019***

---

*Let's sizzle along with the summer sun and make our voice even stronger! Join our summer membership challenge. You and new members will be placed in drawings for great prizes! Every application received by July 15th will be placed in a drawing.*

*When you recruit a new member, please email a photo to MNA so that we can share it on our social sites.*

---

It's easy!

Talk to your colleagues about the importance of becoming a member of MNA, the **only nursing organization in the state that represents ALL Registered Nurses and Advanced Practice Registered Nurses of every specialty and role**. Give them a Membership Application (attached) or ask them to join the fast and easy way by visiting [www.msurses.org](http://www.msurses.org).

Discuss the advantages of MNA membership:

1. MNA is the proud Statewide Voice for Nursing in Mississippi. MNA is an advocate for the entire nursing profession and the patients of Mississippi. Our members come from all roles, educational backgrounds, and areas of practice.
2. MNA provides numerous opportunities for obtaining Continuing Education including Annual Convention, hands-on workshops, certification training, APRN Conferences, quarterly Controlled Substance Workshops, and topic-specific symposiums, all at a discount to MNA members.
3. MNA lobbies at the state and federal level for issues impacting the nursing profession including, but not limited to, full practice authority, safe staffing, and access to care. MNA also offers opportunities for members to interact with elected officials at the MNA Lobby Day, Legislative Summit, and other MNA sponsored events.

4. MNA Member Networking - members have access to nurse colleagues from across the state, allowing members to build an impressive professional network. Members can also participate on MNA committees. Most committees include participation via conference call.
5. MNA members receive discounts on numerous services: ANCC Certification, continuing education, long term care insurance, liability insurance, disability insurance, Orlando Vacations, Collette World Connect, Life Lock, and more.

Before you share a Membership Application, remember to include your name as the recruiting member! On-line application includes a recruit member field. Ask your member to include your name in the field. And don't forget to send a photo of the recruiting member and the new member so we can share on our social sites.
