Hear what some of our members have to say:

"My membership with MNA has spanned over 25 years. It is why I have owned my own practice for diabetes for 14 years. MNA gave me the tools and information I needed to step out as a pioneer nurse practitioner to help people with diabetes in my community."
K.C. Arnold, MSN, ANP, ACNP, BC-ADM

"I have been a member of MNA for approximately 15 years. I've thoroughly enjoyed the many opportunities for networking, educational sessions, and even opportunities to share my own knowledge. I strongly recommend all nurses in Mississippi to become a member."
Michael Jones, RN, MSN, MBA

"Coming from a family of nurses, I grew up hearing about how Mississippi Nurses' Association is an extremely important part of the profession. After becoming a nurse, I understood that MNA is not only an important part, but an integral aspect of the profession as a whole. With MNA, we stand together to make change and to improve the quality and safety of the care that we provide our patients. We ARE Mississippi Nurses' Association! Standing strong together!"
Laurie Ryba, BSN, MMS, FNP-BC, FAFRPM, ABAAHP
