

Register March 10 – May 7, 2021

Access Recorded Sessions April 16 – May 31, 2021

Why Attend the MNA APRN Conference?

- Easy access to 25 CE hours, including 13 pharmacology hours and 3 controlled substances hours from distinguished presenters on topics of interest to APRNs across nursing roles.
- Participate in the live, virtual overview provided by the Mississippi Board of Nursing and ask questions during the presentation.
- On-demand sessions offering evidence-based approach to learning and allows you to choose a variety of content sessions and view them at your own pace.
- Learn about the latest products and services from vendors.
- Participate on social media, share your photos, and be placed into prize drawings.
- And much more...
